

# Persevere and be patient

**M**r Srikanth Ramachandran, President & CEO, NTrust Infotech, holds a Master's degree in computer science from one of the top ten institutes in India and an MBA from the Anderson School of Management at University of California at Los Angeles. Mr Srikanth started NTrust Infotech, an IT Solutions and KPO service provider in the niche space of real-estate lease administration in 2003. Here's his take on four questions from Business Line:

**Two things that my education/training taught me:**

Commitment and process.

**Two things I learnt from my work/real life:**

Perseverance and patience.

**One quality I look for the most in a new recruit:**

Focus.

**A book that I read recently:**

*Mavericks at work.*
